Under the provisions of the Uniform Construction Code as adopted in Pennsylvania, fire suppression sprinkler systems are required to be installed in all newly constructed residences effective January 1, 2011. The municipality (Township or Borough) in which the property is located, and not this Authority, must inspect and approve the fire suppression system in each residence.

The undersigned acknowledges that the Rules and Regulations of The Caernarvon Township Authority provide that water service may be terminated for non-payment, and for other reasons as set forth in those Rules. The undersigned releases the Caernarvon Township Authority, its successors and assigns, from any and all claims arising from termination of water service by the Authority for non-payment or for other reasons as set forth in the Rules.
